

Border

Years & Years

Studying your moves, I wanna play
It's all so easy when you're the one who loves the pain
Do I remember what I was taught?
Am I gonna catch you?
Is it bright enough to see all we are?
I'll bring you another rush [x3]

Oh, oh, oh, who we are and what we do
Oh, oh, oh, makes me want it, makes me move
Oh, oh, oh, could I be the warrior?
Oh, oh, oh, do you feel it, does it hurt?

I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright
I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright

She'll fool your heart, tell me whose to blame?
Are you feeling guilty?
Cause every corner is filled with shame
Do you require me?
To let you know you made it through
And it's getting lighter
You won't get lost, you'll never lose

Oh, oh, oh, who we are and what we do
Oh, oh, oh, makes me want it, makes me move
Oh, oh, oh, could I be the warrior?
Oh, oh, oh, do you feel it, does it hurt?

I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright
I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright

I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright
I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright
I'm going to the border
My body will be stronger
My heart, it will start to shine
And I will be alright
