

Breathe

Years & Years

What's that supposed to be about baby
Go free up ya vibe and stop actin crazy
Reminiscing all the good times daily
Try and pull that got me actin shady

What's that supposed to be about baby
Go free up ya vibe and stop actin crazy
You know i give you that good loving daily
Try and pull that got me actin shady

You say you love me, say you love me
But you're never there for me, yeah, mmm... hmm...
An' you'll be cryin', slowly dyin'
When I decide to leave, yeah-

All we do is make up
Then break up
Why don't we wake up
And see
When love hurts
It won't work
Yeah maybe we need some time alone
We need to let it breathe

What's that supposed to be about baby
Go free up ya vibe and stop actin crazy
Reminiscing all the good times daily
Try and pull that got me actin shady

You're only lonely when your homey
Ain't got a ride or no loot, yeah, uh-huh
Then comes the drama
Some other girl is claimin' she's goin' out with you-

Hmm... hmm...

All we do is make up
Then break up
Why don't we wake up
And see
When love hurts
It won't work-
Maybe we need some time alone

We need to let it breathe (3x)

What's that supposed to be about baby
Go free up ya vibe and stop actin crazy
Reminiscing all the good times daily
Try and pull that got me actin shady

What's that supposed to be about baby
Go free up ya vibe and stop actin crazy
You know i give you that good loving daily
Try and pull that got me actin shady

Oh-

We need to let it breathe (2x)

You said that you love me, that you love me
But you're never there for me

Hmm

An' you'll be cryin', slowly dyin'

When I decide to leave-

We need to let it breathe
