Yeasayer

One's not enough I won't stop 'til I've given you up Here, right as I am, it's hard having fun It's much easier said than it's done Hold me like before Hold me like you used to Control me like you used to Nο You don't move me anymore And I'm glad that you don't 'cause I can't have you anymore But I thought you should know You don't move me anymore And I'm glad that you don't Because I can't take it anymore Oh The room's still now when I'm lying 'cause the well of the night has gone dry When they ask to behave, I pay them no mind Now I doubt if I'd have been so kind Hold me like before Hold me like you used to Control me like you used to No You don't move me anymore And I'm glad that you don't 'cause I can't have you anymore But I thought you should know You don't move me anymore And I'm glad that you don't Because I can't take it anymore More Hold me like before Hold me like you used to Hold me like before Hold me like you used to Hold me like before Hold me like you used to Control me like you used to Hold me like before Hold me like you used to Control me like you used to No You don't move me anymore And I'm glad that you don't 'cause I can't have you anymore But I thought you should know You don't move me anymore And I'm glad that you don't

Because I can't take it anymore

But I found you should know

It feels like being tranquilized I know the separation kills us so But I won't stop falling like raindrops Because I like it when you lose control
