

## Capri Calling

Yello

It's the time  
Of April snows  
And how it shows  
In Hannah's eyes

Calling she's calling  
Calling each midnight  
Take me to new heights  
Falling I'm falling  
A secret power  
Sweet with surprises  
Leaves no disguises  
When you feel pure

Until I'm yours  
Until I'm yours  
Until I'm yours

It's the time  
Of April snows  
And how it shows  
In Hannah's eyes

Time and she's all  
A pool of thought  
I sometimes call  
In Hannah's eyes
