

# Give You the World

Yello

Are you ready, are you steady? (ooh)  
Time for you to get back  
What you leaving? what you giving?  
Time for you to get back

If I could give you the world, I would  
And if I could give you and I'd love to give you the truth, oh  
yeah  
And if I could kill all the pain and take the strength, oh yeah

What have you become now? what kind of a showtime?  
What have you become, my friend?  
What have you become now? what kind of a showtime?  
What have you become, my friend?

We're gonna twist and we're burning in love, my friend  
And if we can, we gon' live by the sea and start feeling the br  
eeze, oh yeah  
So let's go and play in the rain and start over again, oh yeah

What have you become now? what kind of a showtime?  
What have you become, my friend?  
What have you become now? what kind of a showtime?  
What have you become, my friend?

Are you ready, are you steady? (ooh)  
Time for you to get back  
What you leaving? what you giving?  
Time for you to get back

If I could give you the world, I would  
And if I could give you and I'd love to give you the truth, oh  
yeah  
And if I could kill all the pain and take the strength, oh yeah  
Let it go, let it go, let it go

Are you ready, are you steady? (ooh)  
Time for you to get back  
What you leaving? what you giving?  
Time for you to get back
