Yello

You give me love You give me fire You give me more Give me desire

You give me love You give me fire You give me more Give me desire

You give me love You give me fire You give me more Give me desire

You give me love You give me fire You give me more Give me desire

You give me fire

Love Escape rhythm Fever

You give me fire

Give me desire

I see your eyes I can't escape A serious case

Fever Fever Fever

You give me love You give me fire You give me more Give me desire

You give me love You give me fire You give me more Give me desire
