

Move Dance Be Born

Yello

Move, dance, be born
Move, dance, be born
Move, dance, be born
Move, dance, be born

Moving on the dance floor
I'm a victim of the rhythm
I'm the one that's always hidden
I'm always shakin' and I'm fakin'
I want to spin off 'round the cola
I wanna move, dance, be born

Moving on the dance floor
I'm a victim of the rhythm
I'm the one that's always hidden
I'm always shakin' and I'm fakin'
I want to spin off 'round the cola
I wanna move, dance, be born

Move, dance, be born
Move, dance, be born

Moving on the dance floor
I'm a victim of the rhythm
I'm the one that's always hidden
I'm always shakin' and I'm fakin'
I want to spin off 'round the cola
I wanna move, dance, be born

Move, dance, be born
Move, dance, be born
Move, dance, be born
Move, dance, be born
Move, dance, be born

Loose your body
Leave your mind
Somehow, sometimes
Tonight
Leave your body
Loose your mind
Somehow, sometimes
Tonight
Tonight
Tonight

Move, dance, be born

Moving on the dance floor
I'm a victim of the rhythm
I'm the one that's always hidden
I'm always shakin' and I'm fakin'
I want to spin off 'round the cola
I wanna move, dance, be born

Moving on the dance floor
I'm a victim of the rhythm

I'm the one that's always hidden
I'm always shakin' and I'm fakin'
I want to spin off 'round the cola
I wanna move, dance, be born

Move, dance, be born
Move, dance, be born

Moving on the dance floor
I'm a victim of the rhythm
I'm the one that's always hidden
I'm always shakin' and I'm fakin'
I want to spin off 'round the cola
I wanna move, dance, be born

Move, dance, be born
Move, dance, be born
Move, dance, be born
