Yello

Break out, jump
Night line to Chicago
Break out, go
Night ship in tobacco

Break out, shout
Shake downtown Chicago
Break out, jump
One, two, three, four

Night line
Night line
Night line
Got that rhythm in my bones
Listen to the saxophone

Break out, jump
Night line to Chicago
Break out, go
Night ship in tobacco
Break out, shout
Shake downtown Chicago
Break out, jump
One, two, three, four

Night line
Night line
Got that rhythm in my bones
Listen to my saxophone

Night line
