

Shake And Shiver

Yello

You gonna give me power
You gonna give me five
You gonna give me you love
Into the overdrive

You gonna give me power
You gonna give me five
You gonna give me you love
Into the overdrive

You gonna give me power
You gonna give me five
You gonna give me you love
Into the overdrive

I'm gonna lose my mind
Spinning around
You're gonna give me your love
I'm on shakey ground

I'm gonna lose my mind
Spinning around
You're gonna give me your love
I'm on shakey ground

I'm a suitable case for treatment
I'm a suitable case for treatment

Shake, shake and shiver
Shake, shake and shiver
Shake, shake and shiver

Shake, shake and shiver
Shake, shake and shiver
Shake, shake and shiver

Shake, shake and shiver
Shake, shake and shiver
Shake, shake and shiver
Shake, shake and shiver
