

Si Senor The Hairy Grill

Yello

Don't give up all your loving
I like your loving
Tears in my eyes
Touch me, oh oh it's burning
Why might you leave me
Please stay with me

Squeeze me, oh oh you squeeze me

Squeeze me, oh oh you squeeze me

Don't want anyone to see you
Oh oh I'm diving into your eyes
Crying, I thought I'm dying
And then I'm smiling into your face
