

## Squeeze Please

Yello

Sometimes I get into deep trouble  
Illusions burst like a big bang bubble  
Squeeze please knocking about  
Nonsense that's the way out

Squeeze please  
Squeeze please

I never wanna ever talk about the big boom bang  
Can't you understand is this another the band  
The big bang bean what you mean  
The big bang bay what do you say

Squeeze please knocking about  
Nonsense that's the way out

Squeeze please knocking about  
Nonsense that's the way out

Squeeze please  
Squeeze please

I never wanna ever talk about the big boom bang  
Can't you understand is this another the band  
The big bang bean what you mean  
The big bang bay what do you say

Squeeze please knocking about  
Nonsense that's the way out
