

# The Race

Yello

Shout! (shout!)  
Count on me I'm gonna win the race  
Count on me I'm gonna win the race  
Room-dah-bee-boom the whispering dong  
Room-dah-bee-boom the whispering dong

Now shut the door keep down to south  
Shut the door keep down to south  
Shut the door keep down to south

Not any track is turning but the race is in my head  
I'm attacking the illusion but the stopping drives me mad

Time is running out and the illusion fades away  
Time is running out another day is on it's way

Another sun was shining and he knew he wasn't great  
He didn't ever talk about he knew he couldn't wait

Are you ever gonna push me let me run and let me do  
I need it and I'm ready and I haven't got a clue

Not any track is turning but the race is in my head  
I'm attacking the illusion but the stopping drives me mad

Fire away!  
This is the race!

Why?  
Burn!  
Shout!  
Lies!

Give me the race!

Another sun was shining and he knew he wasn't great  
He didn't ever talk about he knew he couldn't wait

I need this race!

Are you ever gonna push me let me run and let me do  
I need it and I'm ready and I haven't got a clue

Any track is turning but the race is in my head  
I'm attacking the illusion but the stopping drives me mad

Fire away!

Time is running out and the illusion fades away  
Time is running out another day is on it's way

This is the race!

Count on me I'm gonna win the race  
Count on me I'm gonna win the race  
Room-dah-bee-boom the whispering dong  
Room-dah-bee-boom the whispering dong

Shut the door keep down to south  
Shut the door keep down to south

Race in my head!
