

Tied Up In Red

Yello

Bombo-yo, ko ko ko bombo ya
Bombo-yo, ko ko ko bombo ya
Bombo-yo, ko ko ko bombo ya
Bombo-yo, ko ko ko bombo ya

Got awaaaaaaaaaay
Got awaaaaaaaaaay
Got awaaaaaaaaaay (de-le-maaaaaa)
(bal-du-ah)

Got awaaaaaaaaaay

Gulemo Dilemma

Kick the gong, beef up the beat
Back to hell into the city heat
Hit the bell, roll down the street
Tie me up to the Babaumba Beat
Take the beat, take the fight
Take me back into the ring tonight

It's the African Queen, we got the summer night grand
It's the African Queen, the hottest lady in town
It's the African Queen, who keeps me on my feet
It's the African Queen, the Babaumba Beat

All you need is love
Take my heart and hold me tight forever, forever

Bombo-yo, ko ko ko bombo ya
Bombo-yo, ko ko ko bombo ya

It's the African Queen, we got the summer night grand
It's the African Queen, the hottest lady in town
It's the African Queen, who keeps me on my feet
It's the African Queen, the Babaumba Beat

Tied Up, Tied Up
Tied Up, Tied Up.....

All you need is love
Take my heart and hold me tight forever, forever
