

Time Freeze

Yello

You know that kind of feeling
It hurts there's a pain
Time is growing slowly
Pumping thru my brain

You know that kind of feeling
I need the borrowed wealth
Time is almost freezing
Time is standing still

I wanna see you one more time
Time for a fool
I wanna see you one more night
Night to be cruel

I'm lost and scared to see you
Even one more time
I know it's time for leaving
Cause I'm afraid of love

You know that kind of feeling
You don't care the way you are
Time to be running
I don't know where to go

I wanna see you one more time
Time for a fool
I wanna see you one more night
Night to be cruel
