```
Away...
Away...
```

You may have many problems
But I was never one
All I ask is take me to the sea

You had to take me somewhere
I realize it now
Listen now just take me to the sea

Away from flickering nights and crowded streets Away from blinding lights and shining needs Away from person hiding, breathing hard Away from always paying on your card

This will be my way out
And you will be my guide
Don't argue, take me to the sea

I'm only asking this once
Please take me for a ride
All I ask is take me to the sea

To the sea
To the sea
To the sea
To the sea

Then leave me with the seagulls

Smile your sweetest smile

I'll kiss you like the salty northern breeze

Drop silver on your forehead And wave my last goodbye All you do is take me to the sea

To the sea
To the sea
To the sea
To the sea...
