

Take me home  
Take me home  
I am lost in the world  
All I know  
All I know  
Is that I miss you more

It was cold on the street  
And my heart skipped a beat  
When you said you'd be mine  
Now I fear I might freeze  
So, I'm asking you please  
Would you let me inside

Oh, you never change  
So, that's why I stay  
Oh, I'll never go  
So, you won't be alone

Which way now  
Which way now  
Is this road gonna end?  
Tell me how  
Tell me how  
I am wandering again
