Rocket

Yellowcard

Sleeping late on Warm afternoon Waking up to Bright silver moon Silent words from My heart to you My empty filled Filled up with you Rockets fly Rockets fly I slip another smile in your pocket My heart is racing to you like a rocket Rockets fly Rockets fly I slip another smile in your pocket My heart is racing to you like a rocket The two of us we dream like one Our energy could light the sun

The two of us take breath as one The two of us... The two of us...
