

One more trip down  
To the lost and found  
To find your heart that the  
Quarterback punk dropped on the ground  
One more trip down  
To the lost and found  
To find your heart

Left out, the one they picked last for the big ball game  
Beat up after class  
No doubt, you'll show 'em one day, you are not the same  
You won't be the last one anymore

One long walk down  
Through the hallway now  
You're finding out that you don't fit in this time around  
One long walk  
The hallway now  
You feel left out

Left out, the one they picked last for the big ball game  
Beat up after class  
No doubt, you'll show 'em one day you are not the same  
You won't be the last one anymore

Left out, the one they picked last for the big ball game  
Beat up after class  
No doubt, you'll show 'em one day you are not the same  
You won't be the last one anymore

Left out, the one they picked last for the big ball game  
Beat up after class  
No doubt, you'll show them one day you are not the same  
You won't be the last one...
