

One more trip down
To the lost and found
To find your heart that the
Quarterback punk dropped on the ground
One more trip down
To the lost and found
To find your heart

Left out, the one they picked last for the big ball game
Beat up after class
No doubt, you'll show 'em one day, you are not the same
You won't be the last one anymore

One long walk down
Through the hallway now
You're finding out that you don't fit in this time around
One long walk
The hallway now
You feel left out

Left out, the one they picked last for the big ball game
Beat up after class
No doubt, you'll show 'em one day you are not the same
You won't be the last one anymore

Left out, the one they picked last for the big ball game
Beat up after class
No doubt, you'll show 'em one day you are not the same
You won't be the last one anymore

Left out, the one they picked last for the big ball game
Beat up after class
No doubt, you'll show them one day you are not the same
You won't be the last one...
