

Way Away

Yellowcard

I think I'm breakin' out
I'm gonna leave you now
There's nothin' for me here
It's all the same

And even though I knew
That everything might go
Go downhill from here
I'm not afraid

Way away, away from here I'll be
Way away, away so you can see
How it feels to be alone, and not believe
Feels to be alone and not believe

Letting out the noise inside of me
Every window pane is shattering
Cutting out my words before I speak
This is how it feels to not believe
