

# Reanimate The Dead

Yendri

Return to a better life  
Forgiven is nothing  
Complete resistance  
Is our freedom

Reanimate the dead  
And the earth will quake  
The world will shake

Enchant the machines  
The air will burn  
And the sea will bleed

The signs are clear  
And everything is serious  
Complete freedom  
Is our future

Reanimate the dead...

No word has been spoken  
Nobody is involved  
Everything is complete

Reanimate the dead...
