

Just Can't Say

Yeng Constantino

It's not that I think you would know
Or just don't feel. All the things I do for you
Baby, that's the clue that I am true
It's just unspoken but I mean it, yeah
But If you looking into my eyes
You'll see what's inside
I don't have to say it

All the things that you wanna hear from me
And all the things that you want me to say it
Baby, say it

Well, if you wanna hear me say it
That I want you I would say it
Hundred times a day
Till you heart will drown away
Just tell me
Do I have to?

It's not that I'm to shy to say
'Bout the words that come out my way
All the tears that you she'd
I guess I have to pay for
If I can only see

All the things that you wanna hear from me
And all the things that you want me to say it
Baby, say it

Well, if you wanna hear me say it
That I want you I would say it
Hundred times a day
Till you heart will drown away
Just tell me
Do I have to?

All things that you wanna hear from me
And all the things that you want me to say it
Baby, say it

Well, if you wanna hear me, saying
That I want you, I need you, I love you
Hundred times a day
(I would say it) till your heart will drown away
(I would say it) Just tell me
(I want to say it)
(Yes, I'm going to say it)
Do I have to (I will say it)
