

## Don't Kill the Whale

Yes

You're first  
I'm last  
You're thirst  
I'm asked to justify  
Killing our last heaven beast  
Don't hunt the whale

In beauty  
Vision  
Do we  
Offer much  
If we reason with destiny, gonna lose our touch  
Don't kill the whale

...

Rejoice  
They sing  
They worship their own space  
In a moment of love, they will die for their grace  
Don't kill the whale

If time will allow  
We will judge all who came  
In the wake of our new age to stand for the frail  
Don't kill the whale
