

It's Love

Yes

Oh, what a crazy feeling
You got my heart reeling
They say it's the weather
But I know much better
(It's love) Makes me feel this way
(It's love) It's more than I can say
(It's love) I know it
I'll show it
I love it
Oh, oh, oh

Oh, what you got me seeing
What I see, I'm believing
There's no doubt about it
I couldn't live without it
(It's love) That's all right with me
(It's love) It's where I wanna be
(It's love) I'll take it, I won't break it
(It's love) I'll make it
'Cause I love you

Do do do do da da
Do do do do da da
Ah
Do do do do da da
Do do do do da da da da
Ah

Oh, what a wild sensation
Multiple revelations
Don't even need explaining
You'll never see me complaining
'Bout love -- I'm in all the way
(It's love) That's where I'm gonna stay
(It's love) I'll try it
Won't fight it
(It's love) I'll buy it
'Cause I love you
(It's love)
(It's love) Love you
(It's love)
(It's love)

It's love

Ah
Ecstasy
