You wanna get close to me
The feeling so clear
But I need some time to see
Vision through my tear
You wanna get next to me
I need your intrusion
I don't need to be
Blinded by confusion

Here is my heart Waiting for you Here is my soul I eat at chez nous

Love will find a way

If you want it to

Love will find a way

Love will find a way for me and you

Love will find a way Love will find a way Love will find a way Love will find a way

So you want to get over me And that's how you feel Everything you want to be Seems so unreal I want to be all of you And that's the confusion It's so hard for me To draw a conclusion

Here is my heart Waiting for you Here is my soul I eat at chez nous

Love will find a way If you want it to Love will find a way Love will find a way

Love will find a way If you want it to Love will find a way Love will find a way

Love will find a way
I believe that there's a way
If you want it to
Will love find a way
Love will find a way
Will love find a way
Love will find a way
