

Siberian Khatru

Yes

Sing, bird of prey
Beauty begins at the foot of you, do you believe the manner?
Gold stainless nail
Torn through the distance of man as they regard the summit

Even Siberia goes through the motions, hold out and hold up
Hold down the window (outbound, river)
Hold out the morning that comes into view (bluetail, tailfly)
River running right on over my head

How does she sing?
Who holds the ring and ring and you will find me coming?
Cold reigning king
Hold all the secrets from you as they produce the movement

Even Siberia goes through the motions, hold out and hold up
Hold down the window (outbound, river)
Hold out the morning that comes into view (bluetail, tailfly)
River running right over the outboard, river
Bluetail, tailfly
Luther in time
Dood'ndoodit, dah, d't-d't-dah

Hold down the window
Hold out the morning that comes into view
Warm side, the tower
Green leaves reveal the heart spoken Khatru

Gold stainless nail
Torn through the distance of man as they regard the summit
Cold reigning king
Shelter the women that sing as they produce the movement
River running right on over
Then over my head outboard, river

Bluetail, tailfly
Luther in time
Suntower asking
Cover, lover
June cast, moon fast
As one changes
Heart gold, leaver
Soul mark, mover
Christian, changer
Called out, saviour
Moon gate, climber
Turn round, glider
