

# The Ancient (Giants Under the Sun)

Yes

The Ancient probes still further into the past beyond the point of remembering. Here Steve's guitar is pivotal in sharpening reflection on the beauties and treasures of lots civilisations, Indian, Chinese, Central American, Atlantean. These and other people left an immense treasure of knowledge.

As one with the knowledge and magic of the source  
Attuned to the majesty of music  
They marched as one with earth

Sol, Dhoop  
Sun  
Ilios  
Naytheet  
Ah Kin  
Saule  
Tonatiuh  
Qurax  
Gunes, Grian  
Surie  
Ir  
Samse

So the flowering creativity of life wove its web face to face with  
the shallow  
And their gods sought out and conquered  
Ah Kin

Do the leaves of green stay greener through the autumn  
Does the colour of the sun turn crimson white  
Does a shadow come between us in the winter  
Is the movement really light

And I heard a million voices singing  
Acting to the story that they had heard about  
Does one child know the secret and can say it  
Or does it all come out along without you  
along without you  
along without you

Where does reason stop and killing just take over  
Does a lamb cry out before we shoot it dead  
Are there many more in comfort understanding  
Is the movement in the head

And I heard a million voices singing  
Acting to the story that they had heard about  
Does one child know the secret and can say it  
Or does it all come out along without you  
along without you  
along without you
