

# The Big Medley

Yes

In the morning when you rise,  
Do you open up your eyes, see what I see?  
Do you see the same things ev'ry day?

Do you think of a way to start the day  
Getting things in proportion?  
Spread the news and help the world go 'round.

Have you heard of a time that will help us get it together again?  
Have you heard of the word that will stop us going wrong?  
Well, the time is near the word you'll hear  
When you get things in perspective.  
Spread the news and help the word go round.

There's a time and the time is now and it's right for me,  
It's right for me, and the time is now.  
There's a word and the word is love and it's right for me,  
It's right for me, and the word is love.

Have you heard of a time that will help get it together again?  
Have you heard of the word that will stop us going wrong?  
Well, the time is near and the word you'll hear  
When you get things in perspective.  
Spread the news and help the word go round.

There's a time and the time is now and it's right for me,  
It's right for me, and the time is now.  
There's a word and the word is love and it's right for me,  
It's right for me, and the word is love.  
There's a time and the time is now and it's right for me,  
It's right for me, and the time is now.  
There's a word and the word is love and it's right for me,  
It's right for me, and the word is love.

Long distance run around  
long time waiting to feel the sound  
I still remember the dream there  
I still remember the time you said goodbye  
did we really tell lies  
letting in the sunshine  
did we really count to one hundred

Cold summer listening  
hot colour melting the anger to stone  
I still remember the dream there  
I still remember the time you said goodbye  
did we really tell lies  
letting in the sunshine  
did we really count to one hundred

Long distance run around  
long time waiting to feel the sound  
I still remember the dream there  
I still remember the time you said goodbye

Cold summer listening

hot colour melting the anger to stone  
I still remember the dream there  
I still remember the time you said goodbye  
did we really tell lies  
letting in the sunshine  
did we really count to one hundred

Looking for the sunshine

Sunshine is creeping in and somewhere in a field a life begins,  
An egg too proud to rape the beginning of the shape of things to come,  
That start the run, life has begun, fly fast the gun.  
The Mother flew too late and life within the egg was left to fate,  
Not really knowing how the world outside would take it when it came,  
And life's the same for things we aim, are we to blame?  
Don't doubt the fact there's life within you,  
Yesterday's endings will tomorrow life give you,  
All that dies, dies for a reason,  
To put its strength into the Season,  
Survival, Survival,  
They take away and they give their life as they live,  
The living right to live, it's all that we need to show  
The livings right to know.  
The egg breaks all is out, the crawling bird begins to scream and shout,  
Where is the parent bird, a loneliness arose and heard its name-  
Ring in for live's begin, survival win, survival's sin.  
So soon the evening comes with it runs the aching  
Fear of hate could Someone still remain who thinks he  
Still could gain by escaping fate? it's much too late,  
Don't underrate, appreciate.  
And we're all going  
And we're all going  
And we're all going somewhere!
