

# The Gates of Delirium

Yes

Stand and fight we do consider  
Reminded of an inner pact between us  
That's seen as we go  
And ride there  
In motion  
To fields in debts of honor  
Defending

Stand the marchers soaring talons,  
Peaceful lives will not deliver freedom,  
Fighting we know,  
Destroy oppression  
The point to reaction  
As leaders look to you  
Attacking

Choose and renounce throwing chains to the floor.  
Kill or be killing faster sins correct the flow.  
Casting giant shadows off vast penetrating force  
To alter via the war that seen  
As friction spans the spirits wrath ascending to redeem.

Wars that shout in screams of anguish,  
Power spent passion bespoils our soul receiver,  
Surely we know.  
In glory  
We rise to offer,  
Create our freedom,  
A word we utter,  
A word.

Words cause our banner, victorious our day.  
Will silence be promised as violence display?  
The curse increased we fight the pow'r  
And live by it by day.  
Our gods awake in thunderous roars,  
And guide the leaders hand in paths of glory to the cause.

Listen, should we fight forever  
Knowing as we do know fear destroys?  
Listen, should we leave our children?  
Listen, our lives stare in silence;  
Help us now.

Listen, your friends have been broken,  
They tell us of your poison; now we know.  
Kill them, give them as they give us.  
Slay them, burn their children's laughter  
On to hell.

The fist will run, grasp metal to gun.  
The spirit sings in crashing tones,  
We gain the battle drum.  
Our cries will shrill, the air will moan and crash into the dawn.  
The pen won't stay the demon's wings,  
The hour approaches pounding out the Devil's sermon.

Soon, oh soon the light,  
Pass within and soothe this endless night  
And wait here for you,  
Our reason to be here.

Soon, oh soon the time,  
All we move to gain will reach and calm;  
Our heart is open,  
Our reason to be here.

Long ago, set into rhyme.  
Soon, oh soon the light,  
Ours to shape for all time,  
Ours the right;  
The sun will lead us,  
Our reason to be here.

Soon, oh soon the light,  
Ours to shape for all time,  
Ours the right;  
The sun will lead us,  
Our reason to be here.
