

Wonderlove

Yes

I believed that one day love would cast a line
I believed there was something more for me to find
Hoping today
Hoping tomorrow
Taking it all in stride
I believed
I could be chasing my mind

There you were
Like a dream to me
Wonderlove
Could this really be
Wonderlove
Can I make you see
You're the world to me

I believe if only we could take the time
Eventually we would learn each other's life
Open your heart
Give it a moment
Leaving the cares behind
Happily
We could be two of a kind

There you were
Like a dream to me
Wonderlove
We were meant to be
Wonderlove
Can I make you see
You're the world to me

It was the very next day that I came alive
The door flung open
There was a vision
Couldn't believe my eyes
Everyone immortal like as though they didn't get it
Everyone believing here at last receiving
Wonderlove
It's a place we all belong
Wonderlove

Wonderlove
Can I make you see
You're my world

I believe I could walk a thousand miles
Just to see the vision of your simple smile
Everyday
Wanting to follow
Forever by your side
Faithfully
You are my destiny

There you were
Wonderlove
We were meant to be

Wonderlove
It's the world where we belong
Wonderlove
Together we will faithfully
Wonderlove
Can I make you see
You're the world to me

Just imagine what you give is who you are and where you're going to
If you're looking for the wisdom of the world
All you've got to do is let it coming through
Be forever

Just imagine
Wonderlove
