

# Me & My Bitch

YG

Used to have a girlfriend  
Now all I got is hoes  
Just looking for a down girl  
But she was fuckin on the low

Hair done, nails did, caramel complexion  
Pussy stayed wet like she was mixed with Mexican  
Love I invested in, Trust I invested in  
So if she wasn't fucking with me I was stressing it  
Wasn't no questioning, pussy was mine  
Wasn't no questioning, Bonnie and Clyde  
Still living in my momma house, but I let her move in  
Momma thought I was tricking  
But really I was just choosin', that was my bitch  
I was claiming her when we was fucking  
My bitch, wasn't using condoms no nothing  
I was in love, she came first before my homies  
Like fuck it, I'm 'bout to get your name tatted on me

Used to have a girlfriend  
Now all I got is hoes  
Just looking for a down girl  
But she was fuckin on the low

And that was me and my bitch  
Knowin that these hoes ain't shit  
Me and my bitch  
Cause nigga ridin' on that Westside shit

Damn, I caught the bitch cheating  
Damn, she was with him last weekend  
What you mean you gon' call right back?  
What you mean you ain't got time like that?  
She fucked the nigga I knew  
Ain't really fucked with his crew  
I did a song with his brother  
And she fucked with him too  
All that shit she was talking  
She wasn't really 'bout it  
And it made it even worse  
When my homie told me 'bout it  
I gave you your swag, told you to dress like that  
I hit your spot, made you say "yes!" like that  
And they ask me why I trust no bitch  
Cause my ex had me feeling all embarrassed and shit

Used to have a girlfriend  
Now all I got is hoes  
Just looking for a down girl  
But she was fuckin on the low

And that was me and my bitch  
Knowin that these hoes ain't shit  
Me and my bitch  
Cause nigga ridin' on that Westside shit

Now she tryna get me back tho

I had her sneakin, creepin through the back door  
I was horny, I just wanted to fuck  
I bust a nut in ten minutes I was in a rush  
Reality, I hit it and she sad now  
She pregnant, she know I coulda been a dad now  
She text me like "I love you"  
I text her back like "fuck you"  
I looked down and looked up  
Her best friend ain't shit cuz my best friend hooked em up  
But she know a nigga rich now  
She text me like "I'm stylin"  
She just wanna be my bitch now

Used to have a girlfriend  
Now all I got is hoes  
Just looking for a down girl  
But she was fuckin on the low
