

# Friday

Ying Yang Twins

fri fri fri day  
fri fri fri day  
fri fri fri day

see it don't really matter what yo boss got ta say  
we cant make ya mad  
see its pay day  
you got double over time  
aint nothin on yo mind  
time to recline  
hit the club we gon ride  
cause its friday

friday  
friday  
friday

aint no sweat  
give me my check  
let me jet  
go get fresh  
look my best  
better then the rest  
best in the flesh  
greater then lest  
take you the pass  
yes im the head  
rub my glass  
second best on the verse  
im the worse when im on tha  
when i play, i look fly  
all the girls wanna  
all the girls wanna  
ride thro the hood with a chevy dom  
the south got bottom and we love the thump  
the bass gon vibrate in the trunk  
the thump gon make the body hump

its friday its pay day  
everything gon go my way day  
every body gonna hear what i got to say  
im out this bitch til monday  
(2x)

I'm off the clock, I'm turning the block  
the club is the place where the party gon rock  
(2x)

you been workin all week didn get much sleep  
but today is the last day  
time to go play  
get yo check  
get out that bitch  
you know where to go to get crunk with it  
hit the club  
get you drank on  
hit the dance flo get yo crank on

party over here get crunk over there  
erbody's hands in the motherfuckin air  
hot - but you feelin good  
you aint on the clock so its all good  
you havin you a ball  
you with yo dogs  
and the club packed from wall to wall

see it don't really matter what yo boss got ta say  
we can make ya mad  
see its pay day  
you got double over time  
aint nothin on yo mind  
time to recline  
hit the club we gon ride  
cause its friday

friday  
(3x)

just got paid its friday night  
hit the mall get fresh  
hit the club tonight  
damn right  
party til its time end  
on saturday i be back again  
its the weekend baby have a blast  
you thru with yo drank have anotha glass  
get yo ass on the dance flo have some fun  
you in the middle of the crowd nigga burn you one

they drankin they thankin  
the weekend last forevera  
but before you leave the club you need to pull you together  
while you sippin and tippin  
you need to check you ride  
because you don't want to go outside and catch a dui

warning fridays usually lead to high volums of drinking smoking and partying

its friday its pay day  
everything gon go my way day  
every body gonna hear what i got to say  
im out this bitch til monday  
(2x)

I'm off the clock, I'm turning the block  
the club is the place where the party gon rock  
(2x)

Ladies and gentelmen  
boys and girls  
its with great pleasure for me to introduce to you  
my wychlef john

aitte now i know yall crunk  
we gon keep yall crunk  
we bringin back that funky shit  
ying yang and wychlef in this bitch  
but i would like to introduce to yall my man the wonder boy  
but yall may know him as jerry wonder on the bass guitar
