Look away from the sea I can take you anywhere Spend a vision with me A chase with the wind

Move closer to me I can make you anyone I think you're ready to see The Gates to Babylon The power of what has been before Rises to trap you within A magic carpet ride a genie maybe more A city of heavenly sin Sleep with the devil and then you must pay Sleep with the devil, the devil will take you away Oh Gates of Babylon

You can see but you're blind Someone turned the sun around But you can see in your mind The Gates of Babylon You're riding the endless caravan Bonded and sold as a slave A saber dance removing all the veils Getting as good as you gave A saber dance removing all the veils Getting as good as you gave Sleep with the devil and then you must pay Sleep with the devil, the devil will take you away

Look away from the sea I can take you anywhere Spend a vision with me A chase with the wind

Move closer to me I can make you anyone I think you're ready to see The Gates of Babylon The power of what has been before Rises to trap you within A magic carpet ride a genie maybe more A city of heavenly sin Sleep with the devil and then you must pay Sleep with the devil, the devil will take you away Black Gates of Babylon The devil is me And I'm holding the key To the gates of sweet hell Babylon
