

## Hold On

Yngwie Malmsteen

Look at me, see the love that you're missing  
Can't you see, that I'll always be there  
you can't run, you can't hide from the feeling tonight  
Damage Done, I guess love isn't fair  
Sometimes I wonder who you are  
So close, but we've gone too far  
How long, can I hold on till you say good-bye baby  
you're gone and it's so wrong and now my heart cries for you gi  
rl  
Lonely days, fill my nights with such sorrow  
Shades of grey, turn into blue tomorrows...  
Sometimes I wonder where you are  
So close, but your eyes are so far...  
How long, can I hold on till you say good-bye baby  
you're gone and it's so wrong and now my heart cries for you gi  
rl  
How long, can I hold on till you say good-bye baby  
you're gone and it's so wrong and now my heart cries for you gi
