Hold On

Yngwie Malmsteen

Look at me, see the love that you're missing Can't you see, that I'll always be there you can't run, you can't hide from the feeling tonight Damage Done, I guess love isn't fair Sometimes I wonder who you are So close, but we've gone too far How long, can I hold on till you say good-bye baby you're gone and it's so wrong and now my heart cries for you gi rl Lonely days, fill my nights with such sorrow Shades of grey, turn into blue tomorrows... Sometimes I wonder where you are So close, but your eyes are so far... How long, can I hold on till you say good-bye baby you're gone and it's so wrong and now my heart cries for you gi rl How long, can I hold on till you say good-bye baby you're gone and it's so wrong and now my heart cries for you gi rl
