

# I'll See the Light Tonight

Yngwie Malmsteen

I've seen visions in the night, passing through the stars  
Who's to run and who's to fight?

Evil tries to pull me in, enslaving me to die  
Who's to lose and who's to win

I'll see the light, tonight  
Flashing through the sky  
Take my life, tonight

Now, the chaos has begun, people crying out  
You're all alone, you gotta run

Victims of circumstance, not able to decide  
No, we never had a chance

I'll see the light, tonight  
Flashing through the sky  
Take my life, tonight

Evil tries to pull me in, enslaving me to die  
Who's to lose and who's to win

Victims of circumstance, not able to decide  
No, we never had a chance

I'll see the light, tonight  
Flashing through the sky  
Take my life, tonight
