

Never Die

Yngwie Malmsteen

Forever and ever
my spirit will soar
journey without end
you mortal fools
keep fighting your wars
but you cannot win
like the sky
I'm perpetual
I'll never die
don't come and tell me
your life is so rough
nothing for nothing
no walls in this world
will heed you enough
I'll get what I want
like the sky
I'm perpetual
I'll never die
your gods may come and go
eons may pass
but in the end I know
I shall forever last...
never die.
