

# Single

Yo Gotti

Single, I'm single (It's Yo Gotti) Go go go go go  
It's gonna rock up in the building (Go, go)  
Single single single, single, single (I know)  
I'm single for the night  
Single, single, single, I'm single

Say I need a single so here ya go  
Nigga say he need a single I told em 24  
She ask me am I single I told her damn right  
Yeah she got a man, but she single for the night  
I'm single single single single single  
She's single for the night  
Single single single single single  
I'm single for the night

Trap talk homie say he wanna single  
Hood nigga and my bomb and a can of Pringles  
I get paid to hit the club, I don't come to mingle  
How you let a nigga kill you on ya own single  
Hit a single button and my whole top gone  
Hit my plug up and put my whole block on  
40 Glock on 32 shots strong, 70 bands 100 carats one watch on  
I'm single 10 carats on my finger looking for a thick bad bitch like Trina  
She committed but still let me hit it if it's bout a single dollar then you  
know that I'm with it

Say I need a single so here ya go  
Nigga say he need a single I told em 24  
She ask me am I single I told her damn right  
Yeah she got a man but she single for the night  
I'm Single single single single single  
She single for the night  
Single single single single single  
I'm single for the night

Sell em by the single but I buy em by the pairs  
Talkin' squares all white like some Nike Airs  
Single horse on the car couple hundred grand  
Single pots single stove single wedding bands  
Yeah I'm married to the game what you know about it  
Young fly rich nigga ask ya ho about it  
4 singles in a split, pair of red bottoms  
Yeah we rock'em like they Jordans whole squad got'em  
Single, dope boy announcement, standin' on the couches middle finger to the  
bouncers  
I am, like Queen Latifa  
I'm out here livin' single ask about me in the hood I got more stripes than  
the Bengals

Say I need a single so here ya go  
Nigga say he need a single I told em 24  
She ask me am I single I told her damn right  
Yeah she got a man but she single for the night  
I'm single single single single single  
She single for the night  
Single single single single single  
I'm single for the night

Go go go go  
Go go (Ohh)  
She's single, single  
She's single, single, she's single single (Ohh)
