

We Can Get It On

Yo Gotti

And we can get it on
Close your eyes shawty gone make a wish you neva met a nigga like this
And we can get it
I know yo pain
All the shit you been through I just wanna see ya dreams come true
And we can get it on
Right here right now back seat
And we ain't gotta make it to the suite and I'mma go strong
And I'mma hit it hard like the beat guaranteed to put dat ass to sleep
And have ya like (la la la la la la la la la) and we be singing lullabies
I have ya like (la la la la la la la la la) ill change yo life and we be singin
g lullabies
I'mma put dat ass to sleep

Bring it down to the beat then back it up (ok)
Red bone super thick super tatted up (ok)
Last dude super lame shawty had enough (ok)
Gotti world super real can't get enough (ok)
Wanna see you smile (ok)
Change yo life around (ok) baby daddy gone(pruu) ice up the child (ok)
Neva won't fa nothin (nothin)
Neva need fa shit (ok)
Cause I'm a real nigga and u a real bitch and I take u there
Clothes on clothes off 45 minutes straight zone door off
Close your eyes shawty gone make a wish you neva met a gangsta like this and
we can get it on
Close your eyes shawty gone make a wish you neva met a nigga like this

And we can get it on
Close your eyes shawty gone make a wish you neva met a nigga like this

I like it in da kitchen 'cause dat my favourite spot
She want it in da Porsche 'cause dat her favourite car
She got me tryin things dat oin do 2day but I can make it valentine for a ye
ar straight
Got her a present I know it ain't your birthday
30 minutes back seat on your lunch break
I make shit shake like a earthquake(booom)
You get yours I get mines now we both straight
He put his hand on (WHO) you he must be insecure
I drop them bands on you I like two volunteer(BEEP)
Close your eyes shawty gone make a wish you neva met a gangsta like this and
