Yo La Tengo

Locked in a kiss
Outside eyes cease to exist
We'll shut it out of the fist
Spying eyes cease to exist, we'll shut it out

Eight o'clock, the lights are on at Shea Phone turned down, we've nothing much to say Dozing off the TV drones House key makes them turn and glance for home

Locked in a kiss
Outside eyes cease to exist
Flayed of the fist
Spying eyes cease to exist, we'll shut it out
