

Mushroom Cloud of Hiss

Yo La Tengo

See you walking sometimes, circumstances start to happen after
awhile
and it's starting to seem like there's nothing left
like there's nothing left at all
Well it drags me down, it's pulling me down
lower, lower
I feel it pullin, here it comes
So come on take the time,
come on, to make up your mind,
come on, Let's give it all away
Starts to wear me down
And I can't get it to stop
When's it gonna stop
Look on your face, just the look on your face
Makes me feel all a little down, down inside
Come on, take the time, come on, make up your mind, come on
Let's give it all away
Come on, take the time, come on, make up your mind, come on
Let's give it all away
