

Nothing to Hide

Yo La Tengo

We all decide
How to draw the line
We've all got something to hide

Stairs surprise
Glazes of any size
We've all got something to hide
We've all got something to hide
Well wait, wait
We're gonna see what comes after
We're gonna see what comes after
Wait wait, harder not faster
Harder not faster

We might do time
Set us stright like ...
We've all got something to hide

Clear the drive
Morsels not in sight
We've all got something to hide

Well wait, wait
We're gonna see what comes after
We're gonna see what comes after
Wait wait, harder not faster
Harder not faster

Well wait, wait
We're gonna see what comes after
We're gonna see what comes after
Wait wait, harder not faster
Harder not faster

We all decide
We all like to draw the line
We've all got something to hide
We've all got something to hide
