

One PM Again

Yo La Tengo

Well, it's 1 PM again,
I guess I'm ready to begin,
And it's reeling, there is a feeling,
Let's not make any sudden moves.

You don't have to show me how,
But I'm not ready to right now,
There is a feeling, and it's reeling,
Let's not make any sudden moves.

And if we don't leave today,
There's no hurry anyway,
I'm on the road here, safe at home here,
So let's make sure we're sure,
That it is reeling, and I'm feeling,
Let's not make any sudden moves.
