

Our Way to Fall

Yo La Tengo

I remember a summer's day
I remember walking up to you
I remember my face turned red
And I remember staring at my feet
I remember before we met
I remember sitting next to you
And I remember pretending I wasn't looking

So we'll try and try
Even if it lasts an hour
With all our might
We'll try and make it ours
Cause we're on our way
We're on our way to fall in love

I remember your old guitar
I remember I Can't Explain
I remember the way it looked around your neck
And I remember the day it broke
I remember song you sang
I remember the way you looked tonight
And I remember the way it made me feel

So we try and try
Even if it lasts an hour
With all our might
We'll try and make it ours
Because we're on our way
We're on our way to fall in love
