

## Some Kinda Fatigue

Yo La Tengo

Sitting in a parked car  
Trying hard to smile  
But I've been looking for one good reason  
But I haven't found it yet  
Took awhile, well, what's it gonna be?  
The way it's got to be  
I know it's out there  
One good reason  
But I haven't found it yet  
I'm stepping away, stepping away from you  
Some weird kinda fatigue  
Someday I'll find it,  
One good reason  
But I haven't found it yet
