

## Swing for Life

## Yo La Tengo

Oh, true rider, fasten me  
I saw a mystery, mystery  
How you cast your reins aside,  
and sidle up to me, up to me  
Sweet obsession, devil's den  
Lassos my blind eye  
My blind eye, my blind eye  
Oh, true rider, nothing's lost  
Take me for a ride, for a ride
