

## What Can I Say

Yo La Tengo

When we're alone here  
Just me and you  
Why did you tell me  
You love me too?  
And when I hold you  
You turn away  
I just don't know you  
What can I say?  
I don't know why  
You run and hide  
I don't know what  
You feel inside  
I try to tell you  
In every way  
I just don't know you  
What can I say?  
I don't know why  
You run and hide  
I don't know what  
You feel inside  
I try to tell you  
In every way  
I just don't know you  
What can I say?  
I just don't know you  
What can I say?
