

What Comes Next

Yo La Tengo

I been back and forth
Around and 'roundn
Taking back the last thing that I say
And it made me wonder
Made me wonder just where I went wrong
On a lazy drive I don't know where
Didn't even care if I got home
And it made me wonder
Made me wonder how I could be good
Time won't wait for you
I'll wait for you always
Some things should never change
And it made me wonder
When you wonder just what happens next
