

## Spider Song

Yoav

Patience, why are you leaving?  
The illusion that I was the only one  
I would keep you, frozen forever  
In a spider's song  
'Cause it won't be long... now it won't be long  
Don't bother to walk away  
Don't twist and tug at the last strand  
Of the silver threads that run my fingers to your toes  
Now a splinter is working it's way in  
I can't dig it out and I cannot ignore  
Don't bother to walk away  
Don't bother to walk away  
I never left  
(Though It might have sometimes seemed so)  
Don't you forget  
(I was lost in waiting)  
But I swear I  
I never left  
Don't bother to walk away  
My old friend  
Don't bother to walk away  
Now a splinter is burrowing deeper  
Don't bother to walk away  
Down the love we made  
The love we were hiding from  
Don't bother to walk away  
I will keep you... forever forever  
In a spider's song  
'Cause it won't be long  
Now It won't be long
