

## Breathe In

Yodelice

Smoke mist and steam  
Rain drops kissing the streets  
Dismissing  
The heat

Memory loss and  
Timeless clocks I'll lay down  
Drain the strain  
On the ground

Breathe in and breathe out (3x)

The load on my chest  
Thirsty for unconsciousness  
Melts away  
In the rain

Breathe in and breathe out (3x)

Cooling off, like  
Drenching this slice of life  
It's raining  
No pain

Breathe in and breathe out (3x)
